**MEMORANDUM FOR:** Executive Secretary  
United States Intelligence Board

**SUBJECT:** Domestic Exploitation

**REFERENCE:** (a) IAC-D-112/3, dated 19 August 1958, subject:  
Continuity of Regular Intelligence Community  
Functions Following Establishment of a  
Single U. S. Intelligence Board  
(b) USIB-D-1./2, dated 19 September 1958, same  
subject

1. Reference (a) directed that committees established by the IAC consider whether any changes in their existing organization or functions might be appropriate in the light of the establishment of the single U. S. Intelligence Board, and that the Chairman of each group report thereon to the USIB. Reference (b) requested that such recommendations be forwarded to reach your office by 1 November 1958.

2. It is the recommendation of the Domestic Exploitation Committee that the organization of that committee be expanded to include representatives of (1) the Assistant to the Secretary of Defense for Special Operations, and (2) the Director of the National Security Agency, if either or both should elect to accept an invitation to be represented on the committee. This would follow the earlier pattern of including, or offering to include, representatives of all elements of the senior board or committee.

3. The Domestic Exploitation Committee proposes no further change at this time in its organization or in its functions. It is assumed that any minor changes in DCIB 2/3, which governs its activities, necessary to make that directive consistent with the wording of the 16 September 1958 revision of NSCIB-2, will be made.

4. At the time of the establishment of the Domestic Exploitation Committee in 1948, all agencies represented on the IAC were invited to be represented on the committee. All such agencies accepted this invitation and have since been represented on the committee with the exception of the Office of the Director of Intelligence, Joint Staff. It might be appropriate to renew this latter invitation at this time, in the event that the Joint Staff might now wish to have either active representation or a representative attending meetings of the committee in an observer capacity.

  
Chairman, Domestic Exploitation Committee
